

Semester 114-2 "Program Registration"

(including Application and Change)" for Day Division Bachelor's Program

◆All applications and changes are online. Please read carefully:◆

► **Target Audience:** Freshmen to Juniors in the Day Division Bachelor's Program (applicable to the 114, 113, and 112 academic year curriculum plans, respectively)

► **Application Period:** From 12:00 PM on Monday, May 18, Year 115 to 5:00 PM on Friday, May 22

► **System Path:** In the Student Information System -> select 'Various Applications'-> 'Program Application'

► **Important Notices:**

一、 All departments require 1 Departmental Program +1 Cross-Disciplinary Program for graduation (National Exam Departments only require 1 Departmental Program)(see note). Cross-Disciplinary Learning options include: on-campus or off-campus cross-disciplinary (micro) programs, cross-departmental specialties, or domain specialties.

二、 In the Student Information System-> please go to "Various Records"-> "Program Selection Result Inquiry" in the system to verify that your information is correct.
(For students under the 113 and 112 curriculum plans, the system allows you to select up to "2" cross-departmental options when choosing a "cross-departmental specialty")

三、 Missed Deadlines: You can apply during the next semester.

Final Deadline: Fall Semester of Senior Year (No applications accepted after this!).

Office of Academic Affairs, Asia University Cares About You. May, Year 115

(Note: "National Exam Departments" refer to 13 departments, including Nursing, Optometry, Occupational Therapy, Audiology and Speech Pathology, Food Nutrition & Health Biotechnology, Post-Baccalaureate Veterinary Medicine, Financial and Economic Law, Accounting and Information Systems, Interior Design, Physical Therapy, Social Work, Post-Baccalaureate Program in Nursing and Medical Laboratory Science and Biotechnology (applicable for students enrolled from the 109 academic year onwards)
